BRIGADE

OVERVIEW

Living lighter, living better

Brigade Citrine brings 1, 2, 3 & 4 BHK residences to Old Madras Road, Bengaluru — a community shaped around a lighter footprint and a more private way of life.

Set across 4.3 acres with 420 residences, it keeps the easy scale of a neighbourhood. It is designed for environmentally conscious professionals and tech workers who want their home to reflect how they live. Downstairs, the pools, the fitness spaces and the clubhouse turn ordinary evenings into something to look forward to.

Strict privacy design Across all 420 units, zero homes face each other.

86%
Diversion rate

46.5%
Reduction in external fresh water demand

100% of common area lighting

Powered directly by renewable solar energy.

Eco-conscious architecture

Diverts up to 300 tonnes of waste from landfills annually (86% diversion rate).

ARCHITECTURE

Architecture with an easy grace

Towers rise with a quiet confidence, letting light and greenery lead. The details are considered, from the way the buildings meet the ground to the way they meet the sky. The architecture is calm and contemporary, with homes placed to make the most of light and outlook.

CLUBHOUSE

SPORTS

LIFESTYLE

Leisure, a few steps away

From the pools to the fitness spaces, leisure here is part of the everyday, not an occasion.

Pool & water

- Swimming Pool
- Dedicated Kids' Pool

Health & wellness
